

Class of 2022 Leavers' Gift

Congratulations Class of 2022 on a fantastic year at CCLS!

As a cohort, you now have the opportunity to make a donation to support future students who come to study at CCLS after you. You can do this by donating to the new CCLS Bursary Fund through the Leavers' Gift.

What is the Class Leavers' gift?

A Leavers' Gift is a way for your graduating class to come together and give back to CCLS as you move into the next stage of your career. The impact of your collective donation will be shared with your community next year, through the stories of those you have helped.

What will my donation fund?

The Leavers' Gift will fund the CCLS Bursary Fund, which helps offer current students who find themselves in an unexpected difficulty, to have the financial security to allow them to complete their studies. For example, the Bursary Fund can contribute to: the cost of living, unexpected bills in London or at home, the travel costs for an unexpected need to return home, or even just a small but necessary supplement.

"I am extremely grateful for the bursary as it is very likely that without it, I would not have been able to undertake the course. The success I experienced: not only graduating from the LLM with distinction but also having my work published may have remained unknown to me..."

Olivia Jean-Baptiste (Bursary Award recipient, 2020)

How to donate

A gift of any size, big or small, will have a lasting impact on future students.

Donate by scanning the QR code or [clicking on the link here](#).

There will also be opportunities to donate in the CCLS reception.

There will be an online donor wall and donors will be celebrated at the graduation ceremony.

Want to help us promote the Leavers' Gift to your cohort or find out more? Email us at ccls-support@qmul.ac.uk

As a Course Rep of the 2021/22 batch, I have seen the incredible year that we have all enjoyed and the fact that we are able to contribute to future CCLS students having the same experience is why I would encourage you all to give where you are able to.

Our connection to Queen Mary will always remain and this is a great way to show our thanks and lend a helping hand!

Roy Kiruri, Banking and Finance Law LLM, 2022

**Thank you for coming together to donate and for
shaping the future of Commercial Law**
